conferred by:

Lama Karma Drodhul

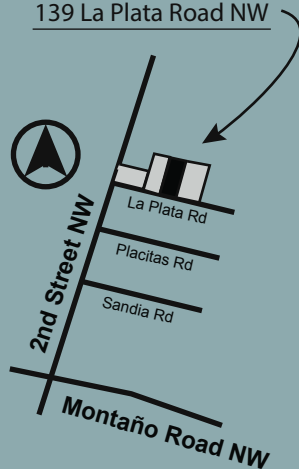

**Retreat Master at:
Karma Ling Retreat Center**

Location

Albuquerque KTC

139 La Plata Road NW

The practice of Chenrezig (Avalokiteshvara) is foundational to the four main schools of Tibetan Buddhism. In receiving empowerment, one gains the authority to perform the practice, as well as the blessings of an *unbroken chain of person-to-person transmission*, beginning with **Shakyamuni Buddha**, and passed down over two thousand years through the Tantric Masters and their students, to the present day.
